PRODUCT DESCRIPTION

Designer: Tala Lighting

Tala Root Chandelier

Tala Root Chandelier takes its form from the branching structure of tree roots. Made with forged solid brass joints and branching arms, it spreads light outward in a circular canopy, giving the chandelier a clear architectural shape without losing the reference to natural growth.

Available in multiple tiered arrangements and Medium or Large sizes, Root uses drop-forged solid brass joints and sandblasted solid brass rods that will age naturally over time. Dim-to-Warm technology ranges from 2000-3000K, giving the chandelier a warm, adaptable output for spaces made for gathering. Best suited for dining rooms, entrance halls, living rooms, and larger residential spaces where a sculptural chandelier can sit as a central feature.

Please note, an additional rod is available to purchase to increase the drop length by 33cm. Contact us for pricing and information.

PRODUCT SPECIFICATION

Light Source:
One-Tier Medium: 6 x Max 15W G4 LED (Included)
One-Tier Large: 8 x Max 20W G4 LED (Included)
Two-Tier Medium: 10 x Max 15W G4 LED (Included)
Two-Tier Large: 14 x Max 20W G4 LED (Included)
Three-Tier: 18 x Max 15W G4 LED (Included)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions:

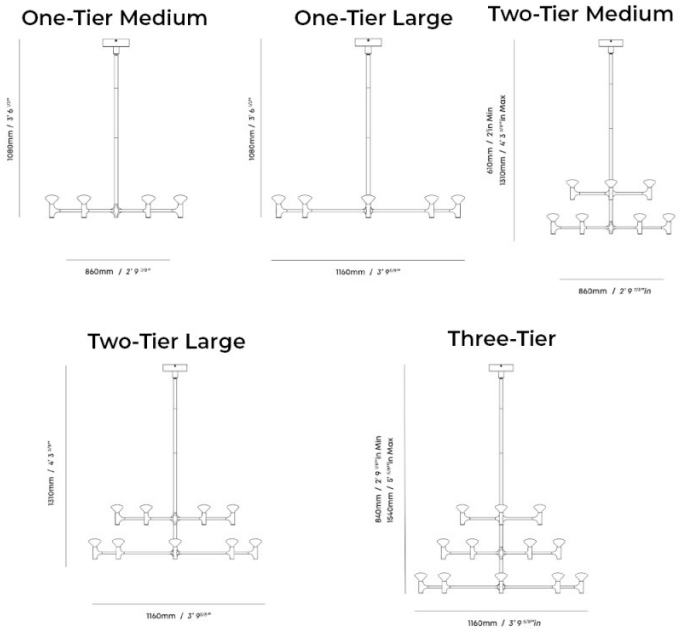

One-Tier Medium:
Height: 108cm
Structure: Ø86cm

One-Tier Large:
Height: 108cm
Structure: Ø116cm

Two-Tier Medium:
Height: 61cm-131cm
Structure: Ø86cm

Two-Tier Large:
Height: 131cm
Structure: Ø116cm

Three-Tier:
Height: 84cm-154cm
Structure: Ø116cm
