PRODUCT DESCRIPTION

Designer: Massimo Minale

Buster + Punch 3G Modular Toggle Switch

The Buster + Punch 3G Modular Toggle Switch is crafted from solid metal and finished in durable, UV-stabilised PU paint. The brushed metal plate is available in white, black, brass, smoked bronze, and steel, while the three toggles feature the brand's signature linear or cross knurled detailing. The tactile switches create an analogue feel that is synonymous with Buster + Punch, while the sleek metal finishes add a touch of sophistication to the surrounding space. Display throughout the home to transform ordinary fittings into ornate elements that create a sense of luxury.

The 3G Modular Toggle Switch by Buster + Punch is part of their Custom Switches + Sockets collection. This allows you to choose the finish of each individual component. Please [contact us](#) for custom configurations and pricing.
