Porta Romana Holden Lantern Pendant

The Porta Romana Holden Lantern Pendant is an extension of the popular **Holden Collection**, a series inspired by mid-century design. The Lantern is constructed from steel and lacquered brass wrapped in cane. This contrast of brass detailing against the dyed cane gives the Lantern its decorative aesthetic, creating a striking element in an interior, even when not in use.

When illuminated, the fabric shade diffuses light while producing an upward and downward-directed glow. This ambient yet functional lighting is well-suited to use above a table, such as in a dining room, study, or living area. The wrapped cane is available in three colourways: Black, Burgundy, and Dark Brown. Colour-match the shade or choose from the wide range of colours and fabric options available from Porta Romana to create a unique luminaire that perfectly suits your interior.

The Porta Romana Holden Lantern Pendant is available in different finishes with a wide range of shade fabrics and linings. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	1 x Max 8W LED E27 (Included)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Height: 71cm Width: 41cm Depth: 41cm Standard Drop: 181cm Minimum Drop: 81cm
