PRODUCT DESCRIPTION

Designer: Porta Romana Lighting

Porta Romana Holden Table Lamp

The Porta Romana Holden Table Lamp follows the classic design aesthetic of metal candlestick lamps. Constructed from steel and lacquered brass, with cane wrapped around the stem, the Holden features a contrast of materials which gives it a decorative presence, even when not in use. The wrapped cane has subtle markings throughout, which have been maintained to create a sense of depth and give each lamp a touch of individuality. The metal detailing is available in either Brass or Antiqued Brass.

When illuminated, the fabric shade casts a warm, welcoming glow for a cosy ambience. Light is directed both upwards and downwards for added atmosphere and functional lighting, perfect for use as a reading light beside a bed, in a living room, or in a reading nook. Display individually or alongside other pieces from the **Holden Collection** to create a cohesive theme and a sense of balance throughout the home.

The Porta Romana Holden Table Lamp is available with a wide range of shade shapes, fabrics and linings. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	1 x Max 5W LED E27 (Included)
IP Code:	20
Dimming:	In-line on/off switch on the cable.
Dimensions:	Height: 51.5cm Height with Shade: 69cm Width: 12.5cm Width with Shade: 25.4cm Cable Length: 160cm
