PRODUCT DESCRIPTION

Designer: Space Copenhagen

Gubi Gravity Large Table Lamp

GUBI Gravity Large Table Lamp gives Space Copenhagen's Gravity design more presence, keeping the same substantial cylindrical base and light shade in a larger format. The marble or steel base anchors the lamp, while the broad Canvas or White shade gives the upper half a much softer appearance.

The larger scale works well on sideboards, console tables, and larger side tables, particularly in rooms where the Small version could feel undersized. There are six base finishes to choose from, with Emerald Marble and Maroon Marble joining the collection for 2026 alongside White Marble, Grey Marble, Black Marble, and Black Steel.

An integrated dimmer on the product allows the light level to be adjusted directly at the lamp. Every base finish is offered with either a Canvas Shade or White Shade, giving 12 combinations in the Large size. Most suited to living rooms, dining spaces, larger bedrooms, reception areas, and generous open-plan interiors.

PRODUCT SPECIFICATION

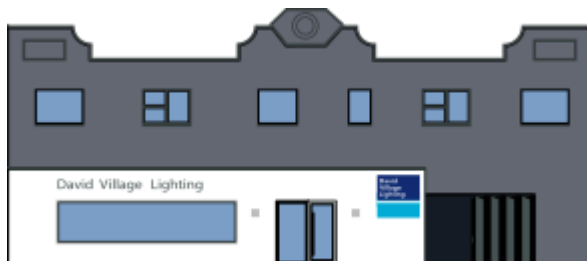

Light Source: 1 x Max 46W E27 (Excluded)

IP Code: 20

Dimming: Integrated dimmer on the product.

Dimensions: Shade: Ø41cm
Shade Height: 29cm
Lamp Height: 65cm
Base: Ø13cm
Cable Length: 200cm
