PRODUCT DESCRIPTION

Designer: Hollis + Morris

Hollis + Morris Willow Horizontal Pendant

The Hollis + Morris Willow Horizontal Pendant explores the interplay of materials, combining a slender solid wood frame with hand-blown glass spherical diffusers and metal detailing. The result is an organic silhouette which resembles a newly budded tree branch, designed to suspend solo or in multiples as an ambient canopy of light.

The Willow Horizontal Pendant offers the choice between two sizes, four wood finishes and eight metal detailing colours. Choose between W.Oak / Natural, W.Oak / White, W.Oak / Black or Walnut / Natural for the stem, and the following metal detailing finishes: Stainless, Brass, Copper, Antique Brass, Oxidised Bronze, Antique Bronze, Powder-coated White, or Powder-coated Black. This offers a vast array of combinations, allowing you to choose a design that suits your interior. Similarly, for larger configurations, you can mix and match colours to generate a more unique lighting installation. This horizontal suspension can also be combined with the **Willow Vertical Pendant** for a more creative lighting setup.

PRODUCT SPECIFICATION
