Hollis + Morris Bennington LED Horizontal Pendant Light

The Hollis + Morris Bennington LED Horizontal Pendant is a seamless luminaire with a cylindrical silhouette and an integrated LED light source that is softly projected onto the surface below. Combining playful Scandinavian minimalism with functionality and high-quality craftsmanship, Bennington offers a touch of class to kitchens, dining areas and larger commercial interiors such as hotels, reception areas and lobbies.

This pendant is crafted from white oak or natural walnut wood, with contemporary metal detailing and subtle suspension cables. Available in four different wood finishes (W.Oak / Natural, W.Oak / White, W.Oak / Black, or Walnut / Natural) and eight metal finishes for the end caps (Stainless, Brass, Copper, Antique Brass, Oxidized Bronze, Antique Bronze, Powder-coated White, or Powder-coated Black), Bennington allows you to create a composition to suit your home, offering a wide variety of configurations to suit various interior styles. Hollis + Morris Bennington is also available in four lengths: 3ft, 4ft, 5ft or 6ft, and is designed to support many environments.

Please Note: The Hollis + Morris Bennington LED Horizontal Pendant is also available with a colour temperature of 2700K. Please contact us for further information and pricing.
