PRODUCT DESCRIPTION

Designer: Will Earl

J. Adams & Co Flume 50 3 Drop Pendant

An expansion of the **Flume Collection**, the J. Adams & Co Flume 50 3 Drop Pendant is inspired by Art Deco. Combining three pendants in one bold arrangement, it balances a cohesive appearance with functionality and beauty. Reeded glass shades are paired with reeded brass bodies in a striking contrast of materials. The brass is available in an Antique Brass, Bronze, Satin Brass, and Satin Nickel finish, while the glass is available in a choice of clear or frosted.

The Flume 50 3 Drop Pendant strikes a balance between elegance and functionality. The LED light source is recessed within the body, making it appear invisible. When illuminated, the reeded glass softly diffuses light into a gentle glow that enhances any interior. Display in a bedroom, living area, or dining room to craft a captivating, intimate atmosphere.

The Flume 50 3 Drop Pendant is also available with an IP44 rating, making it suitable for use in bathrooms and wet rooms. Please contact us for more information and pricing.
