PRODUCT DESCRIPTION

Designer: SkLO

SkLO Float Pendant

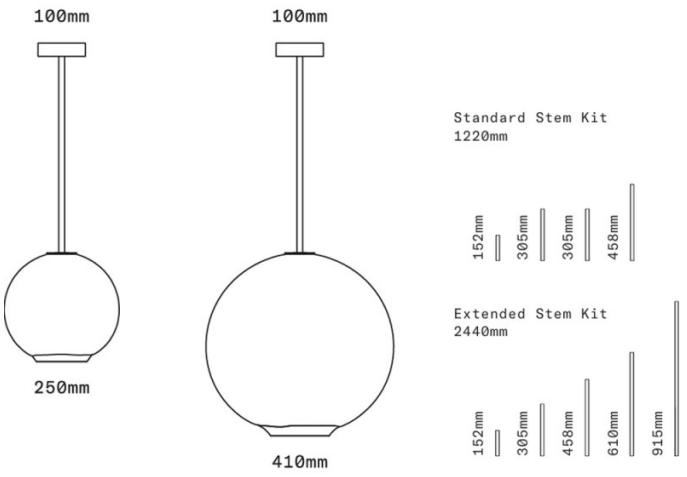

The SkLO Float Pendant pays homage to the classic spherical lampshade. Hand-formed without moulds, its glass shade has a subtly irregular silhouette. The base's opening is shaped while the glass is still hot, creating an organic, rippled edge. The crafting process results in subtle variations from piece to piece, giving each pendant its own character and ensuring no two pendants are exactly alike.

Available in two sizes and in Clear, White, Amber, Smoke or Olvin glass, the Float Pendant complements a range of spaces. The glass shade softens the light into an ambient glow, while the opening at the base directs illumination downwards, balancing atmosphere with practical lighting. Suspended individually or in a row above a kitchen island, dining table or coffee table, it provides an even pool of light. For a more sculptural arrangement, multiple pendants can be grouped at varying heights to create an eye-catching installation.

The Float Pendant includes SkLO's field-adjustable Standard Stem Kit. A field-adjustable Extended Stem Kit is available at an additional cost. See specifications for kit details. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	1x Max 60W E27 LED (Included)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	**10"** Ø25cm **16"** Ø41cm Ceiling Canopy: Ø10cm **Standard Stem Kit (included):** 1x 15.2cm, 2x 30.5 cm, 1x 45.8cm **Extended Stem Kit (available at additional cost):** 1x 15.2cm, 1x 30.5 cm, 1x 45.8cm. 1x 61cm, 1x 91.5cm
