PRODUCT SPECIFICATION

Light Source:	1.5W G4 LED bulbs (Included)
IP Code:	20
Dimming:	Dimmable using leading edge and trailing edge (Triac).
Dimensions:	Multiple options are available. Contact us for more information.

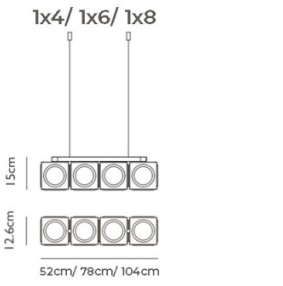

PRODUCT DESCRIPTION

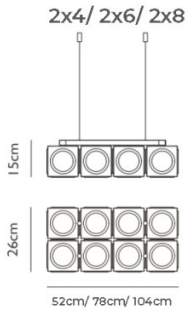

Designer: Lee Broom

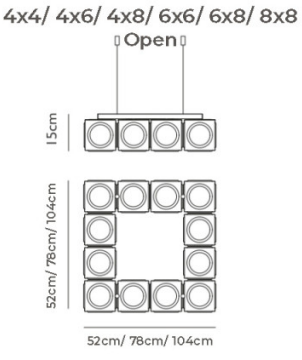

Lee Broom Chant Single Tier Chandelier

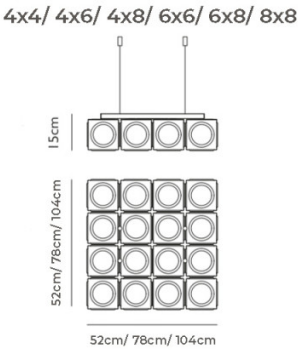

The Lee Broom Chant Single Tier Chandelier is inspired by late-twentieth-century architectural glass bricks, often used in place of stained glass. Each individual brick features a circular indentation, giving the glass a distinctive character that complements the chandelier's geometric design. The bricks, available in clear, frosted, or smoked glass, are arranged in linear, square, and rectangular configurations, for a modular design that suits a range of interiors.

The Chant Single Tier Chandelier combines glass with brushed silver, brushed gold or brushed bronze aluminium elements for an elegant, ornamental aesthetic, even when not in use. When illuminated, the glass diffuses light into a soft glow that fills the surrounding space in a warm ambience. With a wide variety of compositions and a drop height ranging from 25cm to 500cm, the Chant offers flexibility to suit a range of environments, from intimate residential spaces to grand hospitality settings.
