PRODUCT DESCRIPTION

Designer: Lee Broom

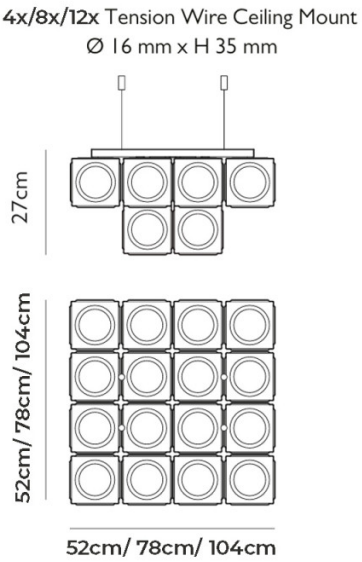

Lee Broom Chant Two Tier Chandelier

The Lee Broom Chant Two Tier Chandelier is a modular design composed of individual hand-blown glass cubes. Each side of each cube features a circular indentation inspired by 1970s glass bricks, which were often used as an alternative to stained glass. The shades are available in frosted, clear, or smoked glass, with an aluminium frame in a brushed gold, brushed silver, or brushed bronze finish. As the glass shades are mouth-blown, natural variations such as small air bubbles may occur, making each piece unique.

The Chant Two Tier Chandelier is available in a range of compositions to suit a variety of spaces. The adjustable stainless steel suspension wires allow for a drop height ranging from 37cm to 512cm, fitting interiors with both low and high ceilings. From a single chandelier above an intimate dining table to expansive compositions in grand hospitality spaces, the Chant Chandelier creates a striking focal point that brings character and presence to interiors of every scale.

PRODUCT SPECIFICATION

Light Source:	1.5W G4 LED bulbs (Included)
IP Code:	20
Dimming:	Dimmable using leading edge and trailing edge (Triac).
Dimensions:	Multiple options are available. Contact us for more information.
