PRODUCT DESCRIPTION

Designer: Jasper Morrison

Flos Glo-Ball Zero Ceiling / Wall Light

The Flos Glo-Ball Zero completes the Glo-Ball Wall and Ceiling light series, and is the second smallest version available after the **Glo-Ball Mini for Ceiling and Wall**. With an opaline diffuser, at just Ø19cm and a reinforced fibreglass base, the Glo-ball Zero Wall/Ceiling Light provides soft diffused light, complementing everything around it. Designed by Jasper Morrison, this minimalistic lighting solution follows his 'super normal' design philosophy.

You can use the Glo-Ball Zero Wall and Ceiling Light in many spaces, both at home and in professional settings, to provide subtle, atmospheric and effective lighting. Check out the rest of the **Glo-Ball Collection**, which includes a range of wall, ceiling, table, floor and pendant lights.

A compatible Flos 7.5W LED E14 T28 Dimmable Bulb can be purchased separately.

PRODUCT SPECIFICATION

Light Source: 1 x Max 7.5W E14 LED (Excluded)
