Artemide Nesso Table Lamp

Each order of the Artemide Nesso Table Lamp will include an exclusive free Artemide tote bag and notebook. Plus, three orders will hold a hidden ticket; whoever finds one of these tickets will win a free Artemide Eclisse x Squid Game table lamp in the colour of their choosing!

The Artemide Nesso Table Lamp is an iconic 1967 design by Giancarlo Mattioli and is a true celebration of that era. The older, and larger, sibling of the **Nessino Table Lamp**, the Nesso is crafted from thermoplastic resin and is available in white or orange, as well as a new-for-2026, Ruby Red, chosen in collaboration with Danese Milano. Its curved silhouette was inspired by nature and softly projects the illumination onto the surface below, as well as providing a soft glow through the slightly opaque shade.

The Nesso Table Lamp adds a unique expression to modern interiors, offering the bold orange for more maximalist spaces or the sleek white to offer a more subdued aesthetic. Both offer exceptional ambient lighting and make a statement in living rooms, dining spaces, bedrooms and even offices.
