Artemide Nesso Table Lamp

The Artemide Nesso Table Lamp is an iconic 1967 design by Giancarlo Mattioli, and is a true celebration of that era. The older, and larger, sibling of the [Nessino Table Lamp](#), the Nesso is crafted from thermoplastic resin and is available in white or orange colour options. Its curved silhouette was inspired by nature and softly projects the illumination onto the surface below, as well as providing a soft glow through the slightly opaque shade.

The Nesso Table Lamp adds a unique expression to modern interiors, offering the bold orange for more maximalist spaces or the sleek white to offer a more subdued aesthetic. Both offer exceptional ambient lighting and make a statement in living rooms, dining spaces, bedrooms and even offices.
