Kartell Francois Ghost Mirror

The Kartell Francois Ghost Mirror borrows colours from Murano glass and is curated to create a striking effect in your interior. The design is part of Philippe Starck's collection and is available in 9 colours, allowing it to adapt to a wide array of personal styles and interior needs.

The transparent, solid or metallic finishes add a playful touch to any interior, and it can be hung in a variety of spaces around your home, from bathrooms to hallways or even the living room. Similarly, it adds a touch of contemporary style to commercial environments too, an excellent choice for hotels. The Kartell Francois Ghost creates an effect of depth, while the colours create a contrast with traditional mirror surfaces.
