Kartell Francois Ghost Mirror

The Francois ghost mirrors borrow colours from Murano glass and thus creating a striking effect. The Francois ghost mirror is part of Philippe Starck's [Ghost collection](#), a series of transparent furniture, redesigned with a modern twist.

The Ghost mirror is available in 9 colours and two sizes, large or small. The vivid, transparent, solid or metallic, colours add a playful and colourful touch to any interiors. You can hang the Francois Ghost mirror anywhere around your home, from bathrooms, to hallways or the living room. The mirror creates an effect of depth, while the colours create a contradiction to the traditional mirror surfaces.
