PRODUCT DESCRIPTION

Designer: Andries Van Onck

Kartell Tiramisu Step Ladder

Practical, functional and elegant, the Kartell Tiramisu Step Ladder is the perfect fit for any furnishing scheme. The structural design consists of curved bars that offer support and a handle which is both a robust feature for use and a functional tool for storage.

The advanced design of the Tiramisu allows you to mount the stepladder on the wall, with a lightweight structure due to the material and a practical closing mechanism, making the Tiramisu a must-have in your home. The Kartell Tiramisu Step Ladder is available in white with black detailing, or a fully black finish.

The Kartell Tiramisu Step Ladder can support a maximum weight of 260kg.
