PRODUCT DESCRIPTION

Designer: Andries Van Onck

Tiramisu Step Ladder by Kartell

Practical, functional and elegant, the Tiramisu stepladder is the perfect fit for any furnishing scheme. The structural design of the Tiramisu consists of the curved bars that offer support and a handle which is both a robust feature for use, but also a functional tool for storage.

The advanced design of the Tiramisu allows you to mount the stepladder on the wall. A lightweight structure due to the material and a practical closing mechanism constitute the Tiramisu a must have in your home. The Tiramisu is available in white, black or metallised dark grey.

*The stepladder can support a maximum weight of **260kg**.*

Material:

Frame - Painted steel

Steps - Fiberglass reinforced polypropylene
