Kelvin LED Floor Lamp by Flos

Described as a revolutionary task light, the Kelvin LED floor lamp by designer Antonio Citterio is a highly adjustable lamp providing direct light. The 30 powerful LEDs are mounted on a square lamp head which is directional.

Emitting a direct, adjustable light with a double arm, fixed pantograph and adjustable head, the Kelvin LED floor light has an ultra flexible system allowing the user to direct light output where required. The floor lamp is the perfect accompaniment to a favourite book or cosy living area and is available in 3 colour finishes, anthracite, black or white.

The [Kelvin range](#) of lights by Flos also includes a table lamp, wall light and both forms in green modes.
