PRODUCT DESCRIPTION

Designer: Antonio Citterio

Flos Clessidra LED Wall Light

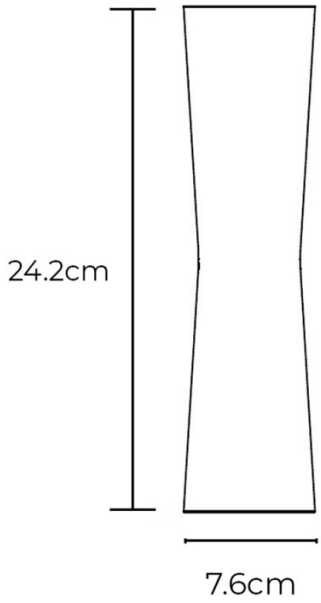

The Clessidra Wall Light, designed by Antonio Citterio, is a stylish and versatile contemporary design available in two sleek finishes. Architectural and beautifully refined, the Clessidra Wall Light boasts a dual light emission providing both up and down lighting and with a choice of either a narrow (20°+20°) or wide (40°+40°) beam angle from two 10W integrated LEDs.

Clessidra is a contemporary addition to residential and commercial settings, whilst the IP55 rating allows you to use the luminaire in both indoor and outdoor settings. Utilise this wall light in hallways, corridors, living rooms, gardens, patios and balconies.

Please Note: The Flos Clessidra LED Wall Light is also available in a white finish, suitable for indoor use. Contact us for more information and pricing.
