### PRODUCT DESCRIPTION

**Designer:** Margot Viarnés

In addition to its formal purity, the Kubika light brings high quality materials and impeccable finish. Its base is lacquered and the diffuser is opal glass.

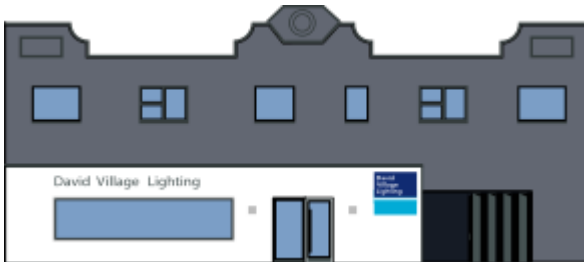

During the day, it appears on the scene as a plastic piece, a sculpture built in the room that allows it to be located in any place and position without invading the space.

At night Kubika becomes a comfortable and warm ambient light, creating a cozy atmosphere.

Lamp: 2x E27 60W and 2x LED strip OR

Lamp: 2x E27 11W Compact Fluorescent and 2x LED strip
