PRODUCT DESCRIPTION

Designer: Stefano Casciani

Oluce Lu-Lu Floor Lamp

Oluce Lu-Lu Floor Lamp was created by Italian designer, Stefano Casciani in 1996. This Lu-Lu Floor Lamp is the perfect balance of geometric abstraction which is required by the structure to maintain its courtliness. Casciani chose primitive shapes for the body of the structure which is attached to a chromium-plated metal stem and a circular base. A frosted glass shade allows a soft dispersal of light around the body of the structure whilst also creating an upward and downward light from the top and bottom. Manufactured from a double-shaded mould, the glass has been hand-blown to create its unique shape.

Lu-Lu Floor Lamp stands at a height of 173cm which is the perfect size to be featured in a residential setting. [Oluce Lu-Lu collection](#) also consists of an Oluce Lu-Lu Table Lamp which can be featured with the floor lamp for a striking visual element.

PRODUCT SPECIFICATION

Light Source: 1x Max 100W, E27 (Excluded)

IP Code: 20

Dimming: In line on/off switch on cable

Dimensions: Height: 173cm
Base diameter: Ø 25cm
