PRODUCT DESCRIPTION

Designer: Emmanuel Babled

KDLN Dew 3 LED Suspension

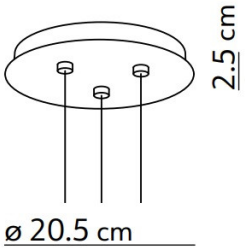

The KDLN Dew 3 LED Suspension draws inspiration from dewdrops, creating the illusion that drops of water are frozen in time and suspended mid-air. Emmanuel Babled created the Dew to offer complete compositional freedom. A single cluster creates a subtle decorative element in a room, while multiple clusters can be installed to create giant, cascading installations for a creative display that seamlessly blends light and art.

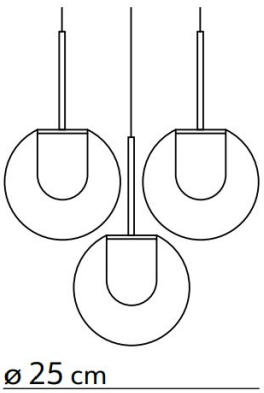

The KDLN Dew 3 LED Suspension is available in three finishes, Chrome, Black, and Brass, which complement the decorative appearance of the blown glass shades. When illuminated, light is diffused into a glare-free glow, filling the surrounding room with a cosy and welcoming ambience. Display above a dining table, in a stairwell, or at a bedside. In commercial spaces, the Dew 3 is perfect for creating grand displays in hotel lobbies, restaurants, and bars.

The Dew Suspension is also available with 1, 5, 7, or 9 lamps. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	3 x 5W, 2700K, 1320 Lumens
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Ø25cm Ceiling Canopy: Ø20.5cm x 2.5cm Cable Length: 250cm
