Artemide Tolomeo XXL LED Floor Lamp

The Tolomeo goes big! This iconic oversized design by Michele de Lucchi and Giancarlo Fassina is a 4:1 scale of the standard **Artemide Tolomeo Table Lamp**. The Tolomeo XXL Floor Lamp is suitable for both outdoor and indoor use, thanks to its IP65 rating, and the cantilevered arms give you the flexibility you need, allowing you to adjust the light whichever way you wish.

With a whimsical and playful character, as well as its large proportions, the Artemide Tolomeo XXL LED Floor Lamp will make an impact and impress all who see it. An excellent choice for open spaces and big or high ceiling rooms, the Tolomeo XXL looks phenomenal and certainly draws all eyes. Use on your patio for a direct light, line your driveway for a fun welcome or use in big rooms to light up the space. Similarly, this vast floor lamp is an excellent choice for commercial settings, especially in the hospitality industry. A unique way to illuminate alfresco dining spaces, rooftop bars and large entrance halls.
