PRODUCT DESCRIPTION

Designer: Barba Corsini

Gubi Pedrera Floor PD2 Lamp

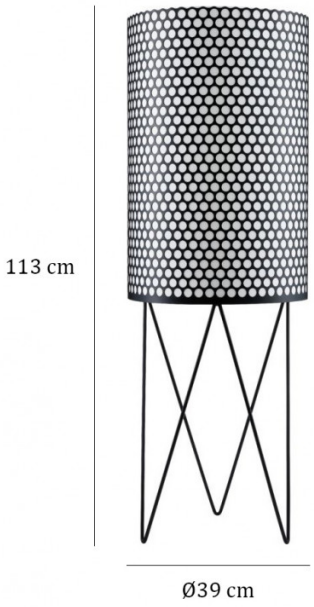

The Gubi Pedrera PD2 Floor Lamp is an iconic design by Barba Corsini, originally crafted for the 1955 attic renovation of Gaudí's La Pedrera in Barcelona. Corsini's architectural vision drew from the perforated chimneys and vaulted ceilings of the building, resulting in a floor lamp that is both striking and functional.

This lamp combines a perforated steel shade with an inner opal diffuser, producing a warm and inviting glow that enhances living spaces, offices, and lounges. The collaboration with Joaquim Ruiz Millet in the 1990s ensured the revival of Corsini's designs, preserving their legacy for modern audiences.

With its clean lines and minimalist aesthetic, the PD2 Floor Lamp embodies Corsini's philosophy of "powerful simplicity." It serves as both a functional light source and a sculptural centrepiece, making it a timeless addition to any interior.

PRODUCT SPECIFICATION

Light Source:	1 x Max 116W E27 (Excluded)
IP Code:	20
Dimming:	In-line dimmer included on cable.
Dimensions:	Shade: Ø39cm Height: 113cm Cable Length: 300cm (Approximately)
