Kartell Maui Soft Chair

The fabric version of the classic **Maui Chair**, a tribute to Italian designer Vico Magistretti by Kartell, this new soft version is covered with fabric from Trevira or Kvadrat Divina 3, in various vivid colour choices. Maui was a focal point in the mid-90s for furniture design and is one of the first to have no metal supports, no ribbing and no tracery to support the back.

Maui chairs are a Kartell bestseller and constitute the best seating option for both domestic and private settings. In contrast to the Maui, the Maui Soft can be stacked up to four high. Trevira and Kvadrat are both trade names of separate companies that supply fabric to furniture companies worldwide. Trevira is 100% polyester, and Kvadrat's Divina 3 fabric is 100% pure virgin wool. You can personalise the Maui Soft chair with fabrics you wish to use, available for orders of at least ten items.

Please Note: due to the packaging process, Kartell Maui Soft Chairs must be ordered in pairs of the same colour.
