PRODUCT DESCRIPTION

Designer: Miguel Milá

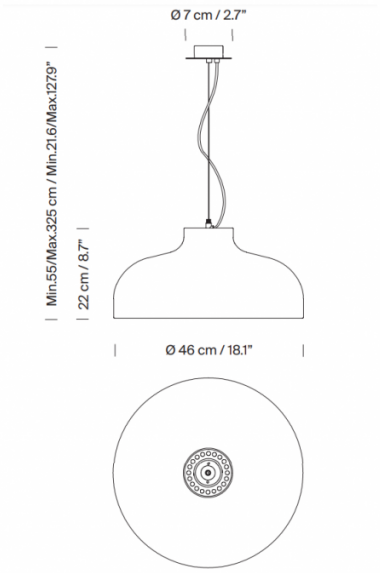

Santa & Cole M68 Suspension Light

A tribute to Miguel Mila's original pop pendant from the 1960s, the M68 pendant is now made of aluminium, available in different finishes. The suspension has a bell-shaped shade, with an ingenious design that hides and smoothly transitions from the top of the light into the wire that supports the shade. The M68 suspension creates a diffused light, beautifully illuminating everything around it.

The shades are said to be inspired by a woman's shoulders; a shape that guarantees perfect ambience onto any surface. Hang the M68 above a dining table or breakfast bar, as a single pendant or multiple suspensions in a row and create a unique interior aesthetic. The shade is available in four colour options, white, brilliant red, black or polished aluminium. The canopy matches the finish of the shade, with the polished aluminium having a chrome-plated canopy.
