PRODUCT DESCRIPTION

Designer: Miguel Milá

Santa & Cole TMC Floor Lamp

Originally designed in 1961 by Miguel Mila, the Santa & Cole TMC Floor Lamp won the ADI FAD Golden Delta award in Barcelona the same year. Miguel Mila included the TMC in the first collection he made for TRAMO; the company he created to promote his work after the war in Spain. In 2011 the TMC Floor Lamp became part of the Santa & Cole TM collection, marking its 50th anniversary. This floor lamp is considered the dressed-up version of the TM lighting solutions - crafted from metal instead of natural wood, it adds a more modern and elegant touch to your space.

The position of the lampshade is height adjustable, using the handle fitted on the back of the structure, by pulling the magnetic handle at 60° you can bring the shade up or down. You can adjust the position based on your own personal needs; when placed higher up on the shaft of the lamp the TMC provides more ambient light projection. whereas when placed lower towards the ground it becomes more of a direct task light. The lamp cable that protrudes from the shade, can be gently pulled in order to turn the lamp on/off.

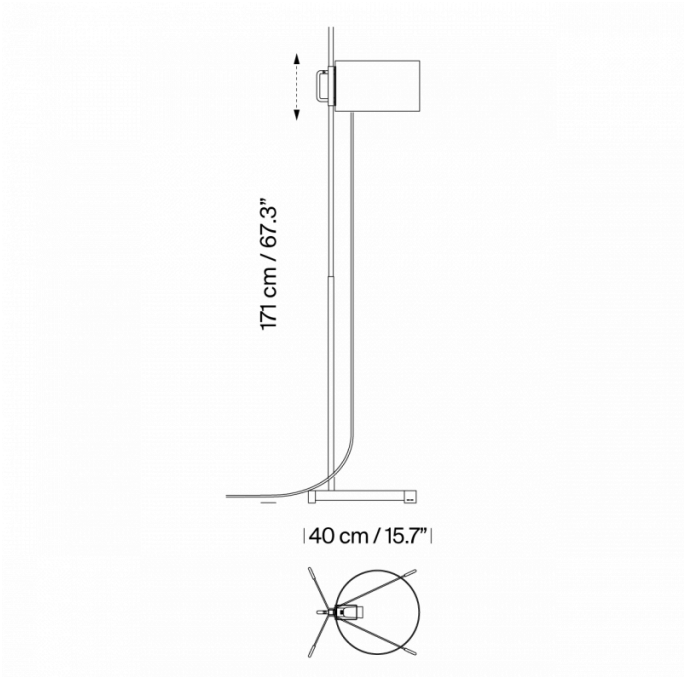

PRODUCT SPECIFICATION

Light Source: 1 x Max 11W E27 LED (included)

IP Code: 20

Dimming: Integrated on/off switch on product.

Dimensions: Shade: Ø30
Shade Height: 18cm
Full Height: 171cm
Depth: 40cm
Base Width: 38cm
Cable Length: 400cm
