Kartell Kids Lou Lou Ghost Pattern Chair

Following the vast success of Philippe Starck's **Louis Ghost** chairs, the miniature children's version is now part of the Kartell Kids collection. The Lou Lou chair is playful and colourful, available in crystal/transparent, pink or light blue, and in seven pre-made designs: drawing, dinosaur, heart, princess, prince, it's a boy, it's a girl.

This smaller seating option is perfect for children's rooms and dining areas, adding a touch of creativity and style to every interior. Choose your favourite design, mix and match styles, and even pair it with the classic **Kartell Kids Lou Lou Ghost Chair**.
