### Vibia Match 003

*This fitting is customisable, please [contact us](#) for further information and pricing.*

Unique and unrepeatabe, Match is much more than a light fixture. This innovative product, created by Jordi Vilardell & Meritxell Vidal, stands as a new lighting concept based on co-creation. The result is infinite artistic configurations based on thin rods of aluminum and LED light terminals, forming a light sculpture that illuminates central themes of space and interior decoration.

Available in 2 finishes: white or matt graphite.  
Designer: Jordi Vilardell

Examples of possible configurations:
