Vibia Skan LED Pendant

The Vibia Skan LED Pendant can be defined by its classic simplicity and unobtrusive silhouette. Fitted with LED technology, this pendant produces a warm but functional downlight that can be easily dimmed to further personalise your ambience. The Skan Pendant was designed by Lievore, Altherrk, Molina and can be utilised to enhance modern interiors or create an accent feature in more classic environments.

Skan utilises basic shapes and clean lines, resulting in a minimalistic aesthetic with an unmistakable elegance. This LED pendant is available in a wide range of finishes; Black, White, Beige, Terra Red, Blue and Green. The variations of choice make it easy for Skan to adapt to various interiors, it is a beautiful addition to above dining tables, kitchen islands, coffee tables and shop counters.
