

# Vibia Skan 0275 LED Suspension

**LA6079**

SOURCE: <https://www.davidvillagelighting.co.uk/product/vibia-skan-0275-led-suspension/12685>

Vibia's Skan is a hanging lamp with a minimalist design. It is a return to the essential, combining basic shapes and pure lines. Designed by Liévore, Altherr and Molina. This light is surface mounted.

**This light is also available in a smaller size and as a semi-recessed version, please see the 'related products' section below for more information.**

Dimming: 1.10V, Push. Dali dimming optional upon request.
