PRODUCT DESCRIPTION

Centrelight LLDPE Globe Pendant

The Centrelight LLDPE Globe pendant light combines a minimalistic silhouette with ambient lighting. LLDPE is crafted from low-density polyethylene, working as a soft diffuser for the inner light source. These luminous orbs are highly versatile and can adapt to a range of interiors, including stairwells, hallways, dining rooms and kitchens. Similarly, they are an elegant addition to commercial spaces.

The Centrelight LLDPE Globe Pendant Light is also available with **RGB lighting** kits and remote controls, and as an IP65-rated version. Please [contact us](#) for more information.
