Marset Tam Tam pendant lights

Like a cluster of grapes! Marset's Tam Tam lights are inspired by the archetypal lampshade but repeated again and again in various sizes, angles and colours. Geometrically arranged to invoke a feeling of organized chaos! Choose between three or 5 shades that sit around a main central shade, each surrounding shade is rotational up to 360 degrees for customised display. Each shade contains an opalescent lower diffuser to give a soft, welcoming light. Designed in 2015 by Fabien Dumas.

Marset Tam Tam pendant light is available in two standard sizes: either 3 or 5 smaller shades and mini size with 3 small shades. The central shade is available in black or off-white and the smaller, adjustable shades can be a combination of black, off-white, olive, orange, grey, brown and sand.
