Kartell Dr NO Chair

A Kartell classic, the Dr NO Chair is best known for its functionality. Crafted from polypropylene, with aluminium legs, this chair is easy to clean and durable, allowing it to be used for both indoor and outdoor settings. The versatility of Dr NO means it is perfect for a variety of spaces, a perfect dining chair for evening meals as well as a casual armchair for relaxed days in the sun. Its sleek white finish means it can suit almost any personal style.

Designed by Philippe Starck & Eugeni Quitllet, the Dr NO Chair is structured to be as comfortable as possible, offering a curved seat and high armrests. This chair is also designed to be easily stackable up to four elements, ensuring it can be easily stored when not needed, or during colder months.

Please Note: Kartell Dr NO Chairs must be ordered in pairs of the same colour.
