PRODUCT DESCRIPTION

Innermost Piccadilly Pendant Light

The Innermost Piccadilly Pendant Light, inspired by Victorian circus tents, is crafted in spun aluminium with a textured exterior and a contrasting interior that enhances its warm glow. Available in three finishes, black, white, and grey, the black and white options feature an antique gold interior, while the grey version includes a smooth white interior. With three sizes to choose from, the Piccadilly series can accommodate various needs, whether it's focused lighting for counters or broader coverage for larger rooms. Its conical ceiling rose and 4m braided cable match the pendant's exterior, adding an elegant finishing touch.

The Innermost Piccadilly Pendant Light is available in 3 sizes: Small (15cm), Medium (36cm) and Large (56cm).
