The design for these beautiful lights was based on the shape of the Victorian circus tents. Simple shapes in matt black and white reveal a warm glow as light bounces off the antique gold.

Available in matt black, Grey and white coated aluminium finishes with a matching conical ceiling canopy, while a black braided 4m long cable allows you to install the pendant in small and large interior spaces. The black and white pendants have an antique gold interior, while the grey comes with a matt white interior. The Circus pendant is available in 3 sizes: small (15cm), medium (36cm) and large (56cm).
