PRODUCT DESCRIPTION

Designer: Joana Bover

Bover Danona Floor Lamp

The Bover Danona Floor Lamp was designed by Joana Bover and is manufactured in Barcelona at the Bover headquarters. The stripped back design adds a classic retro touch to your space and is a perfect example of timeless composition.

The ribbon shade diffuses the light source and results in a soft output, avoiding any harshness or glare. The Danona Floor Lamp creates perfect ambient lighting and is a welcome addition to bedrooms, living areas, hallways and public spaces - especially in the hospitality sector. This floor lamp can adapt to a range of interior décor, even the most contemporary styles. The Danona has been present since the very start of Bover and has evolved with the company.
