PRODUCT DESCRIPTION

Designer: Marcel Wanders

Valentine Baby by Moooi

The smaller version of the [Valentine Suspended Lamp](#), the Valentine Baby measures 21cm in diameter. A design by Marcel Wanders for Dutch lighting and furniture manufacturer, Moooi. The light often described as a 'magic mirror with a bouquet of flowers'. Valentine Baby has a metal plated shade in a choice of black, chrome or gold finish. The light is diffused via the clear glass diffuser with a floral pattern, and reflected from the interior mirrored surface.

Valentine Baby is a luxurious suspension light, that can be installed on its own, or you may choose to hang multiple suspensions and create a unique effect. The lights are suitable for residential and commercial projects, as well as in hospitality. The lights are suspended from a transparent cord, which gives the illusion of them floating mid-air. The [Valentine Collection](#) further includes the Valentine Flat, with a disk shade, and the table lamp; all with the trademark floral glass.
