Artemide Tolomeo LED Floor Lamp

The LED version of the Tolomeo Terra floor lamp, an award winning design by Michelle de Lucchi and Giancarlo Fassina. The Tolomeo LED floor lamp is available in two sizes, standard and micro and in an aluminium finish so you can find the right fit for your interior. The floor light is characterised by its flexibility, with a movable lampshade and an arm complete with a spring mechanism so you can direct the light exactly where you need to. Perfect as a reading light by your armchair or a task light at the desk, this floor lamp can be used in homes and at work.

The Tolomeo LED Terra floor lamp has an integrated LED light source, so you can have a long-lasting light that is environmentally friendly. This lamp is also stylish, as well as functional, exhibiting the chicness known in Italian design. Don't miss out on this iconic light and match with others from the Artemide Tolomeo collection to create a consistent lighting theme.
