Santa & Cole BlancoWhite C1 LED Table Lamp

David Village Lighting

PRODUCT DESCRIPTION

Designer: Antoni Arola

BlancoWhite C1 by Santa & Cole

Designed in 2011 by Antoni Arola, the BlancoWhite C1 table lamp is an ingenious design combining LED technology with a minimalist structure. The body of the lamp, merely a centimetre thick, houses a smart LED plate light source at the bottom of the of the lamp's surface. The LED source, via dot cutting system, distributes the light evenly thus creating a beam homogeneity. The BlancoWhite table lights can be used as tabletop bookcases or lighting shelves, it's metallic structure is robust and is available in a white or graphite matt finish.

The design won the Red Dot Design in 2012, and has been praised for its usability and the potential that this LED technology can add to our every day lives. BlancoWhite C1 is a perfect cube (22 x 22 x 22), and is the smallest among the table lamps in the family. A top a dining table, or your desk the BlancoWhite C1 can be used in both residential and commercial settings. At the bottom of the lamp's square surface, you will find an integrated dimmer to adjust the light's brightness.

The BlancoWhite collection includes another rectangular table lamp and three suspension lights. The BlancoWhite D1/D2 is available in two sizes and comes with an option to add a Up&Down counterweight, and the BlancoWhite Gold Gate and R3 rectangular suspension lights perfect to install above tables or reception areas.
