PRODUCT DESCRIPTION

Designer: Santa & Cole Team

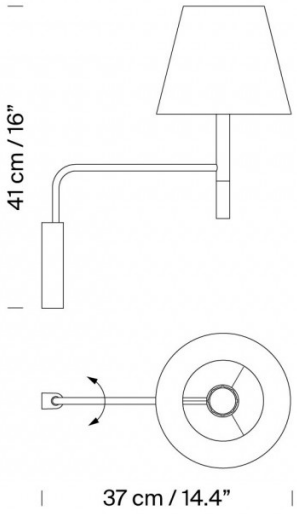

Santa & Cole BC3 Wall Light

The BC3 wall light embodies top-quality design and functionality. Designed by the Santa & Cole design team in the mis '90s, the BC3 wall lamp is the hard-wired version of its sibling, the BC1 Wall Light. With a pivoting arm that creates an elbow joint with a separate piece into the wall, a satin nickel structure is paired with a beech wood handle to easily move the lamp away or towards the user.

The wall light also comes with a choice of four colourful lampshades, in either a ribbon material in natural, red-amber, black, or a stitched beige parchment shade. The BC3 is perfect for use by sofas, armchairs and beds, being wonderful as a soft reading light with full versatility.
