PRODUCT DESCRIPTION

Designer: Jordi Miralbell & Mariona Raventós

Santa & Cole Disco Wall Light

The Disco Wall Light by Santa & Cole was designed by Jordi Mirabell and Mariona Raventos, who wanted to create a subtle and indirect lighting solution. Disco features a circular mickel plated steel structure, fitted with a convex reflector. This wall light emits a warm illumination away from itself, which is then reflected against the wall and projected outwards into the room - the result is a comforting ambient glow that is reminiscent of a moon's eclipse. The light source can also be easily dimmed to further personalise the ambience and create your perfect atmosphere.

Santa & Cole Disco is available in two sizes which can be displayed solitary or on multiples for larger interiors and are a creative way to brighten up hallways, living rooms, kitchens, dining spaces and even bedrooms. This lamp is unobtrusive and a beautiful display of minimalism with undertones of industrial design.

PRODUCT SPECIFICATION

Light Source: 1 x Max 8.3W GU10 LED (Included)

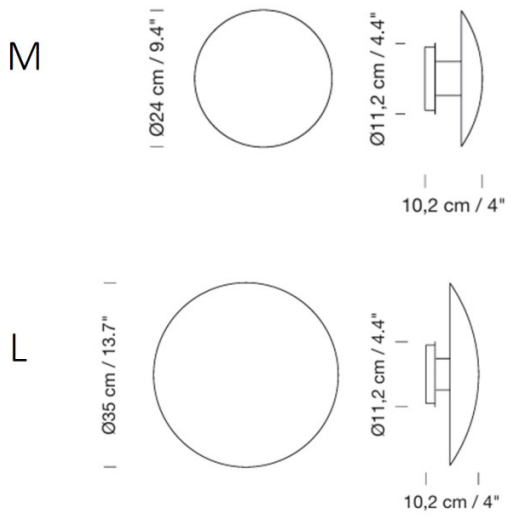

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions:

Disco Medium:
Ø24cm
Wall Fixture: Ø11.2cm
Depth: 10.2cm

Disco Large:
Ø35cm
Wall Fixture: Ø11.2cm
Depth: 10.2cm
