PRODUCT DESCRIPTION

Designer: Davide Groppi

Davide Groppi Toast Wall Light

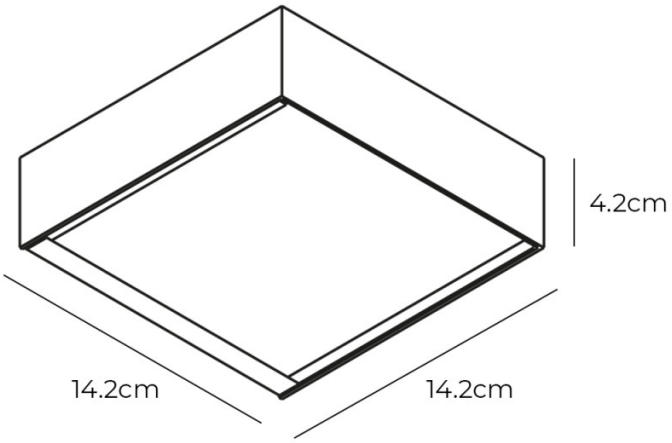

Davide Groppi Toast Wall Light was designed in 2001. Groppi designed the light to be integrated into any space, serving as an architectural element. These innovative wall lights offer both upward and downward illumination, enhancing the room with clear and bright light. The metal structure is available in four colours: matt black, white, polished chrome, or brushed chrome.

Featured in residential or commercial spaces, the Davide Groppi Toast Wall Light boasts a delicate design for any interior. The metal structure is available in matte black, white, polished chrome, or brushed chrome finishes and can be strategically positioned to produce an aesthetically pleasing sequence, resulting in a clean and striking ensemble.

Toast Wall Light is also available in an LED version - **Davide Groppi Toast LED Wall Light**.
