PRODUCT DESCRIPTION

Designer: Paolo Grasselli

Modoluce Reverse LED Suspension

The Modoluce Reverse LED Suspension combines timeless elegance with a minimalist aesthetic, making it a versatile lighting solution for contemporary interiors. Inspired by the geometric shape of a truncated cone, the Reverse suspension embodies harmony and proportion.

This oversized suspension light features a hand-crafted ribbon or classic plissé diffuser, or a cotton bi-colour shade that offers the option of matching or contrasting interior and exterior finishes. These high-quality materials and finishes add a refined touch to any space.

Available in a variety of sizes, the Reverse suspension can also be tailored to fit spaces with higher ceilings through custom longer drops, available upon request.

Perfect for residential or commercial applications, the Modoluce Reverse LED Suspension brings subtle sophistication and practicality to any setting. Please contact us to explore the wide range of colour and finish options available.

Please note, Dali dimming is available on request. Please [contact us](#) for more details and pricing.
