PRODUCT DESCRIPTION

Designer: Jordi Vilardell

Vibia Slim 0935 LED Suspension

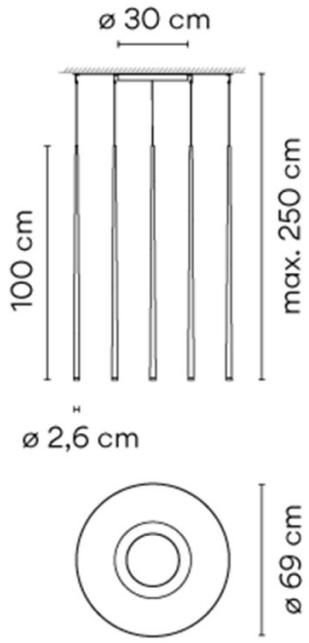

Featuring 10 slender shades with integrated LEDs, the Vibia Slim 0935 Suspension provides a soft but functional downlight. Designed by Jordi Vilardell this contemporary lighting solution can be used in both residential and commercial environments, able to immediately catch your eye whilst still remaining minimalistic. The Vibia Slim 0935 LED Suspension is best displayed in spaces with high ceilings and is available in a variety of carefully selected finish options, all providing a matching ceiling canopy.

Display this graceful lighting solution in entryways, hotel lobbies, large dining spaces or in larger open stairwells. It is guaranteed to become a conversation starter whilst providing your space with functional and inviting illumination.

This pendant can also be supplied with a colour temperature of 3000K or 4000K upon request. Please contact us for more information and pricing.
