Artemide Tolomeo Faretto LED Wall Light

This is the **integrated LED version** of Artemide's classic **Tolomeo Faretto Wall Light**. Its wall support is made from polished aluminium, with a fully rotational lampshade in matt anodised aluminium, so you can direct the light where you need to.

Perfect as a spotlight or to line the walls in a variety of settings, the Artemide Tolomeo Faretto LED Wall Light will add a modern and chic touch to the space. The flexibility and long-lasting nature of the wall lamp make it a wonderful choice for both at home and at work, and can be used in offices, lounges, reception areas and corridors.

The Artemide Tolomeo Faretto Wall Light can also be supplied with a microswitch dimmer on the wall mount. Please Contact Us for more information and pricing.
