PRODUCT DESCRIPTION

Designer: Michele De Lucchi & Giancarlo Fassina

Tolomeo Faretto LED Wall Light by Artemide

This is the **integrated LED version** of Artemide's classic [Tolomeo Faretto wall light](#). Its wall support is made from polished aluminium, with a fully rotational lampshade in matt anodised aluminium, so you can direct the light where you need to. Perfect as a spotlight or to line the walls in a variety of settings, this wall light will add a modern and chic touch to the space.

The Tolomeo LED wall lamp comes with either a microswitch dimmer on the product or no switch so you can choose what function you would like to suit your needs. The flexibility and long-lasting nature of the wall lamp makes it a wonderful choice for both at home and at work, and can be used in offices, lounges, reception areas and corridors.
