PRODUCT DESCRIPTION

Designer: Martín Azúa

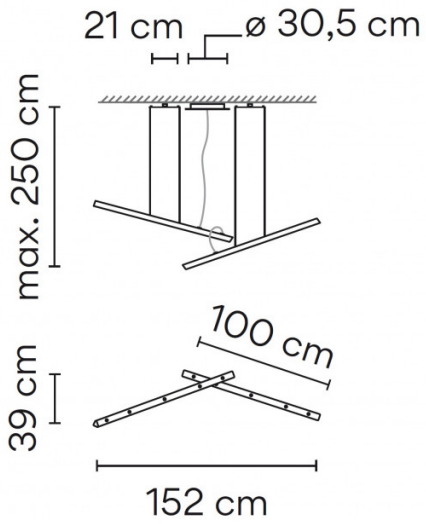

Vibia Halo 2340 Lineal LED Suspension Light

Designed by Martín Azúa, the Halo Lineal 2340 pendant reinterprets a linear suspension light with two lampshades that form a criss-cross pattern in mid-air. The two shades are made from PMMA which creates a diffused and effective illumination, wonderful as a functional light in large spaces.

The Halo 2340 pendant light features an integrated LED light source which is concealed within the lampshades despite having a transparent appearance. This features creates an ethereal glow, which is also dimmable, and a lightweight look. This contemporary and stylish suspension can be used in a wide variety of settings, whether at home or in a place of work.
