Davide Groppi Moon Suspension

The Moon Suspension Light was designed by Davide Groppi in 2005. Moon was created from the dream of bringing the moon inside your own home. Each shade has been hand-made with Japanese paper, which makes every pendant unique. A traditional style shade, but with an imaginative modern twist, Moon is made from rich Japanese paper shaped into soft curves which seamlessly blend elegance and playfulness.

Davide Groppi's Moon Suspension Light offers a softly diffused illumination, perfect for a range of interiors and is available in four different sizes from Ø60cm to Ø200cm. The Moon collection also includes the **Davide Groppi Moon Table Lamp** and the **Davide Groppi Moon 60 DE Suspension Light**.
